Handwriting practice lines for the word 'match'. The first line shows the word 'match' written on a set of three horizontal lines (top, middle, bottom). The second line shows the word 'match' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The third line shows the word 'match' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The fourth line shows the word 'match' written on a set of three horizontal lines, with each letter having a dashed outline for tracing.

Handwriting practice lines for the word 'catch'. The first line shows the word 'catch' written on a set of three horizontal lines (top, middle, bottom). The second line shows the word 'catch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The third line shows the word 'catch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The fourth line shows the word 'catch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing.

Handwriting practice lines for the word 'hatch'. The first line shows the word 'hatch' written on a set of three horizontal lines (top, middle, bottom). The second line shows the word 'hatch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The third line shows the word 'hatch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The fourth line shows the word 'hatch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing.

Handwriting practice lines for the word 'patch'. The first line shows the word 'patch' written on a set of three horizontal lines (top, middle, bottom). The second line shows the word 'patch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The third line shows the word 'patch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The fourth line shows the word 'patch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing.

Handwriting practice lines for the word 'ditch'. The first line shows the word 'ditch' written on a set of three horizontal lines (top, middle, bottom). The second line shows the word 'ditch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The third line shows the word 'ditch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The fourth line shows the word 'ditch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing.

Handwriting practice lines for the word 'fetch'. The first line shows the word 'fetch' written on a set of three horizontal lines (top, middle, bottom). The second line shows the word 'fetch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The third line shows the word 'fetch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The fourth line shows the word 'fetch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing.

Handwriting practice lines for the word 'pitch'. The first line shows the word 'pitch' written on a set of three horizontal lines (top, middle, bottom). The second line shows the word 'pitch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The third line shows the word 'pitch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The fourth line shows the word 'pitch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing.

Handwriting practice lines for the word 'switch'. The first line shows the word 'switch' written on a set of three horizontal lines (top, middle, bottom). The second line shows the word 'switch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The third line shows the word 'switch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The fourth line shows the word 'switch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing.

Handwriting practice lines for the word 'stretch'. The first line shows the word 'stretch' written on a set of three horizontal lines (top, middle, bottom). The second line shows the word 'stretch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The third line shows the word 'stretch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing. The fourth line shows the word 'stretch' written on a set of three horizontal lines, with each letter having a dashed outline for tracing.
