

## Multiplication Table Check Worksheets

This worksheet gives an example set of questions that may be asked in the Department for Education's Year 4 Multiplication Tables Check (MTC). Please note that the MTC must be completed online and has strict time limits. To practise working within these time limits please sign up for free access to MTC with Emile (<https://emile-education.com/resources/free-multiplication-tables-check-mtc/>)

$10 \times 10 = \square$

$2 \times 8 = \square$

$12 \times 3 = \square$

$9 \times 5 = \square$

$11 \times 2 = \square$

$12 \times 7 = \square$

$5 \times 2 = \square$

$3 \times 10 = \square$

$8 \times 6 = \square$

$9 \times 4 = \square$

$7 \times 9 = \square$

$8 \times 9 = \square$

$6 \times 2 = \square$

$4 \times 5 = \square$

$6 \times 10 = \square$

$8 \times 4 = \square$

$6 \times 3 = \square$

$7 \times 8 = \square$

$5 \times 3 = \square$

$3 \times 9 = \square$

$9 \times 10 = \square$

$4 \times 7 = \square$

$12 \times 12 = \square$

$11 \times 12 = \square$

$7 \times 10 = \square$
